Late Brahmaveddada Mane

## About the Institute

S. P. M. Polytechnic proudly celebrates 28 glorious years of excellence in the field of technical education. This remarkable journey is not just a milestone, but a celebration of vision, dedication and the transformation of thousands of young lives.

The foundation of this esteemed institute was laid with a noble mission by the visionary leader, Hon. Late Shri Brahmaveddada Mane. He strongly believed that the youth from rural areas deserved equal opportunities to build a brighter future through technical education. At a time when access to quality technical education in rural regions was a major challenge, his farsighted vision became the driving force behind the establishment of S. P. M. Polytechnic.

In the year 1998, the first brick of S. P. M. Polytechnic was laid, marking the beginning of a journey that would shape countless careers and inspire generations.

Under the dynamic leadership and constant guidance of Hon. President Mr. Diliprao Mane, the institute has continued to scale new heights of success. With a strong commitment to quality education, modern technology and holistic development. S. P. M. Polytechnic has successfully guided thousands of students towards professional achievement and social responsibility.

## The Diploma Courses offered are...

Courses	Intake
Computer Engineering	90
Electronics and Telecommunication Engineering	90
Mechanical Engineering	90

## Institute

**Vision :** "To be a reputed institute preparing competent engineers with professional skills favourable to the industry and society."

**Mission :**

**Mission1:** To provide pertinent technical education and training to support students' goal.

**Mission2:** To provide platform for development of personality traits like professional attitude, communication skills and ethical values to produce competent engineers.

**Mission3:** To inspire students towards life-long learning and helping them to find right career opportunities.

## PRESIDENT'S MESSAGE

Dear Stakeholders,

It gives me immense pride and satisfaction to witness SPM Polytechnic, Kumathe completing 28 glorious years in the service of technical education. What began as a humble initiative with a vision to empower rural youth through quality education has now blossomed into a reputed institution known for its academic excellence, skilled graduates, and value-based learning.

Our journey over the past two and a half decades has been one of growth, transformation and dedication. We have consistently focused on nurturing talent, instilling discipline and building a learning ecosystem that adapts to the changing demands of industry and technology. Our emphasis on continuous development through learning has been the cornerstone of our progress.

A matter of great pride for us is that all our diploma programs have been accredited by the National Board of Accreditation (NBA). This prestigious recognition reaffirms our commitment to delivering education of the highest quality and our continuous efforts toward excellence in curriculum, teaching-learning, and student outcomes.

As we celebrate this significant milestone, we remain committed to carrying forward the rich educational legacy of Shikshan Prasarak Mandal—not just by maintaining standards but by constantly elevating them. With modern infrastructure, competent faculty and an environment that fosters innovation and curiosity, we aim to shape professionals who are not only technically sound but also socially responsible.

I extend my heartfelt gratitude to all stakeholders—students, parents, faculty, alumni, and well-wishers—for their unwavering support. Together, let us stride ahead with renewed enthusiasm and a shared vision of excellence.

**Dilip Mane**  
President

## CHIEF TRUSTEE'S MESSAGE

It is with immense pleasure and a deep sense of responsibility that I share this message as we proudly celebrate 28 years of academic excellence at SPM Polytechnic, Kumathe. Over the years, the institute has grown from a foundational vision into a well-established technical institution that upholds the highest standards in education and character building.

The world today demands not only knowledgeable professionals but also individuals who are ethically grounded and socially aware. At SPM Polytechnic, our mission has always been to blend technical competence with human values, preparing our students to meet global challenges with confidence and integrity.

We are extremely proud that all our diploma programs are accredited by the National Board of Accreditation (NBA)—a testament to the quality and consistency of our academic practices, infrastructure, and outcomes. This recognition strengthens our resolve to push boundaries and embrace innovation in all aspects of teaching and learning.

As the Chief Trustee of Shikshan Prasarak Mandal, I am committed to nurturing an educational environment where every student has the opportunity to grow, excel, and transform their future. I express my heartfelt appreciation to the dedicated team of faculty, staff, alumni and parents who have been instrumental in shaping this institution's success story.

Let us continue to walk together on the path of knowledge, service, and nation-building.

**Jaykumar Mane**  
Chief Trustee

## MANAGEMENT TRUSTEE'S MESSAGE

It is a matter of immense pride and heartfelt joy to witness SPM Polytechnic, Kumathe completing 28 impactful years in the field of technical education. This remarkable journey reflects not only academic progress but also the unwavering commitment of our institution to nurture responsible, skilled, and value-driven individuals.

Education to us, has always meant more than acquiring degrees—it is about building character, fostering innovation, and preparing students for life. At SPM Polytechnic, we strive to create an inclusive and supportive environment where students are encouraged to think critically, act ethically and lead confidently.

Our achievement of NBA accreditation for all diploma programs stands as a strong validation of our quality-driven approach and persistent efforts toward academic excellence. This milestone encourages us to raise the bar even higher as we move forward.

As a Trustee, I deeply value the collective effort of our educators, students, parents, and support staff who contribute daily to making this institution a beacon of knowledge in the region. Let us continue to inspire and be inspired as we build a better tomorrow through the power of education.

**Miss. Swati Mane**  
Management Trustee

## PRINCIPAL'S MESSAGE

Dear Parents and students,

It is with great pride and a deep sense of fulfillment that I present this message on the occasion of SPM Polytechnic, Kumathe completing 28 successful years in the field of technical education. This journey has been a blend of vision, values, and continuous growth, all aimed at shaping the future of our students and empowering them to meet the challenges of a rapidly changing world.

At our institute, we believe that education is the foundation of transformation—not only of the individual but also of society. Our efforts are focused on providing students with a dynamic learning environment that balances academic rigor with real-world application, technical excellence with ethical grounding, and innovation with responsibility.

We are proud that all our diploma programs have been accredited by the National Board of Accreditation (NBA), which reflects our commitment to quality education, structured curriculum delivery, and consistent student outcomes.

As Principal, I feel privileged to lead a team of dedicated and passionate educators who go beyond the classroom to mentor, guide, and inspire. With state-of-the-art facilities, industry-relevant training, and holistic development programs, we are committed to ensuring that every student of SPM Polytechnic is ready to take on the future with confidence.

I thank all stakeholders—students, parents, faculty, alumni, and management—for their trust and contribution to our shared vision. Let us continue to work together to uphold the values and legacy of Shikshan Prasarak Mandal and strive toward excellence in every endeavor.

**Rohini Chavan**  
Principal

# Science & Humanities Department

The goal of department is to provide students with conceptual, fundamental knowledge of language, Applied Science & Applied Mathematics. The General Science Department plays a pivotal role in shaping the career of future engineers. It nourishes & provides valuable inputs for knowledge of different aspects of Language, Applied Science and Applied Mathematics useful in Engineering & Technology for disciplines. Department of Science has best academic achievements in result. It always motivates the students towards the greater attention, view and hard work which the subject needs.

Language Lab

Chemistry Lab

Physics Lab

Workshop

# Computer Engineering Department

## Vision :

"To prepare competent computer engineers with recent technology to serve the industry and society."

## Mission :

**Mission1:** To impart the knowledge and hands on experience on recent technologies.

**Mission2:** To imbibe professional skills and ethical responsibilities in students.

**Mission3:** To prepare students to be continuous learners in a connected world.

The department of Computer Engineering is concerned with the theory, design, development and application of computer system. Continuous improvement in quality, developing confidence for self and lifelong learning are the highest priorities adhered during the duration of the course in the department. The faculty members are well experienced in teaching and they regularly attend conferences, seminars, faculty development programs, industry organized workshops etc., to develop leading-edge in-depth knowledge of computer science disciplines and encourage project based learning.

Network Lab

Webtech Lab

Software Lab-I

Database Lab

# Electronics & Telecommunication Engineering Department

## Vision :

"To prepare proficient engineers with technological advancement in electronics and telecommunication engineering to meet industry and social needs."

## Mission :

**Mission1:** To offer modern educational aids, laboratories along with industry interaction.

**Mission2:** To enable students to strengthen their soft skills through co-curricular and extracurricular activities.

**Mission3:** To encourage lifelong learning for better career opportunities.

The department of Electronics & Telecommunication Engineering strive to achieve excellence in education so as to enable students to establish themselves as world-class technicians and practicing engineer. The department has good infrastructure and with fully developed lab to empower them with the proficiency and knowledge required to excel in the dynamic field of Electronics and Technology to pursue higher education. It also imparts technical knowledge and skill to students towards continuous improvement in education and placement and prepares the student to meet the challenges in the technical advancement to serve the community.

Workshop Lab

Communication Lab

Analog Electronics Lab

Advanced Communication Lab

# Mechanical Engineering Department

## Vision :

"To prepare competent mechanical engineers by enhancing the technical knowledge and skills to cater the industry and society."

## Mission :

**Mission1:** To offer the quality technical education through teaching learning process and industry interaction.

**Mission2:** To inculcate ethical values and professional skills in students by providing trainings & workshops.

**Mission3:** To furnish the opportunity to infuse the life-long learning through co-curricular and extra-curricular activities.

The Mechanical Engineering deals with design and production of machines, tools, and plays an important role in automobile sector, railways and aerospace systems. The Mechanical Engineering department has a team of highly qualified and experienced faculty putting efforts for creating smart technocrat to accept the challenges in globalization market. The department has well equipped laboratories of advanced machines such as VMC and CNC machining center to fulfill the need of recent development in industry.

AMP Lab

Mechanical Engineering Material Lab

Fluid Mechanics & Machinery Lab

Engineering Mechanics Lab

# Central Library

A library is an organized collection of information and similar resources made accessible to a defined community for reference or borrowing. The Institute has well-furnished library having 2025 titles with 15340 volumes on technical and humanity subjects. The technical journals and periodicals are made available to the students to get acquainted with the recent trends in the industries and technical education. The library has a collection of technical Video cassettes and CDs & past MSBTE question papers for the reference.

## Library Features :

▶ **Book Bank Scheme** ▶ **Borrow Card Facility** ▶ **Magazines and News Papers** ▶ **Reading Room** ▶ **Technical Journals & Periodicals** ▶ **National Digital Library** ▶ **E-books & E-Journals free download**

# SPM

## First Year of Post SSC Diploma

The candidate should be Indian Nationalist Passed Secondary School Certificate (SSC) with at least 35% aggregate marks

## Direct Second Year of Post SSC Diploma

Maharashtra State Candidature Candidate. -  
(i) The Candidate should be an Indian National;  
(ii) Passed 10+2 examination with Physics / Mathematics / Chemistry / Computer Science / Electronics / Information Technology  
OR  
10th + (2 years ITI) shall be eligible for admission to Second Year Diploma Course(s) in ANY branch of Engineering and Technology.

## Student Scholarships.

No.	Scholarship	Department	Eligibility	Family Income	Amount
1.	Govt. Of India Scholarship	District Social Welfare Office	SC/ST	No Limit	Full Tuition Fees
			VJ/NT/SBC	Below Rs.8 Lacs	
			OBC	Below Rs.8 Lacs	50% of Tuition Fees
2.	State Govt. of Maharashtra	Minority Communities, Mumbai	Muslim, Christian, Jain, Buddhist, Sikh & Parshi.	Below Rs.8 Lacs	Rs. 50000/-
3.	State Govt. of Maharashtra Scholarship	Directorate of Technical Education, Mumbai	For Boys EBC/EWS/SEBC	Below Rs. 8 Lacs	50% of Tuition Fees
			For Girls EBC/EWS/SEBC		Full Tuition Fees
4.	Open Merit Scholarship	Maharashtra State Board of Technical Education, Mumbai	Above 70% marks	Below Rs.5 Lacs	Rs. 7000/-

## Fee Structure for Academic Year 2025-26

Sr. No.	Year	Open Category (Tuition Fee + Development Fee = Total Fee)	SC/ST Category	SBC/VJ/NT/ OBC/SEBC/EBC Female Candidate (Development Fee)	OBC/SEBC/EBC Category (50% of Tuition Fee + Development Fee = Total Fee)
1.	First Year	$70383 + 9501 = 79884$	0	9501	$35192 + 9501 = 44693$
2.	Second Year	$56502 + 5933 = 62435$	0	5933	$28251 + 5933 = 34184$
3.	Third Year	$56502 + 5933 = 62435$	0	5933	$28251 + 5933 = 34184$

**Notice:** above fee structure for the given academic year shall continue till completion of entire courses.

## Various Committees

### Anti Ragging

The Anti-Ragging Committee aims to prevent ragging, ensure student safety, address Complaints effectively and create a healthy, respectful and inclusive educational environment.

### Internal Committee

(Gender Sensitization, Prevention and Prohibition of Sexual Harassment of women employees and Students)

The committee's objective is to prevent sexual harassment, prohibit inappropriate conduct, provide effective grievance redressal, and ensure a safe and dignified workplace for all employees and Students in Technical Institutions.

### Students Grievance Redressal Committee (SGRC)

The Students Grievance Redressal Committee aims to ensure that students' complaints are heard, investigated and resolved promptly, thereby maintaining a fair, supportive and student-friendly educational environment.

### SC / ST Committee

The SC/ST Committee aims to ensure a discrimination-free environment, protect the rights and welfare of SC/ST students and staff, promote equal opportunities and support their overall development within the institution.
